

Bradford Safeguarding Adults Board Strategic Plan 2018-2021

Our vision is to promote happiness by working together to help people feel safe - free from abuse and neglect.

Our mission is to put the Adult at risk of abuse at the heart of everything we do.

Bradford Safeguarding Adults Board – Who we are

The Safeguarding Adults Board (SAB) is a multi-agency partnership which has statutory functions under the Care Act 2014. The main focus of the SAB is to ensure that in the Bradford District safeguarding arrangements work effectively so that Adults at risk are able to live their lives free from abuse or neglect.

An Adult at risk is a person aged 18 or over who has needs for care and support and as a result of those needs is unable to protect themselves from either the risk of, or the experience of abuse or neglect.

Unpaid carers such as partners, relatives or friends can also get help and support if they are being abused.

In this Plan we will call an Adult at risk the 'Adult'.

Our Strategic Statement – What we plan to do

We will work together with partner organisations and people in our communities so that Adults can live the best lives they can with their wellbeing and rights being supported, safe from abuse and neglect.

Our work will follow the six Safeguarding Principles which are:
Empowerment; Protection; Proportionality; Prevention; Partnership and Accountability.

How are we going to do this?

We are going to work on three areas of equal importance, which will be our priorities. We will continue to work with our partners to make sure that by 2021 these priorities are achieved.

How will we know if we have achieved our priorities?

We will measure our progress and achievements through our Delivery Plan which will be updated every three months and made available on our website.
