

CARERS AND DISABLED PEOPLE

Are you a carer or a disabled person?

Would you like the choice of a variety of day trips, accessible holidays, and activities?

Equality Together is excited to announce our fantastic new venture, HoliBreak+

Many people aren't aware that they are able to use their respite money for a holiday as an alternative to staying in a care home.

Whether you enjoy a leisurely long weekend on a canal barge, a sun-filled holiday of relaxation, or an action-packed skiing adventure, this venture will have something for you.

HoliBreak+ offers the choice to take the break you want with the accessibility you need.

It's not just holidays we offer. We've also got activities and day trips, there really is something for everyone.

If you'd like to know more and be kept up to date with our latest offers, follow us on Facebook, or give us a call.

We all need a little Me Time.. Let us help you make it memorable.

Plan now to look forward to a brighter future!
