

## Section 44 Independent SAR Reviewer/Facilitator Required

Bradford Safeguarding Adults Board is seeking to appoint a Reviewer to facilitate a Safeguarding Adults Review under Section 44 of The Care Act 2014.

This review concerns the death of a 90-year-old male. The focus of the review is around discharge from hospital and home care provider processes and practice.

It is essential that the selected reviewer has a good understanding of health and social care practice

### Methodology and timescales

- Traditional SAR
- Period to be covered is August 2019 – 6 September 2019
- Must be completed within six months
- Estimated Reviewer time needed: 10 days

### Specific areas to be explored/aims and objectives:

- Explore hospital discharge processes and seek assurance that these are robust
- What was the communication between hospital and home care provider, and how could this be improved?
- Explore processes within the transportation of a patient home following discharge from the hospital, including does this involve making sure the individual is safe and comfortable when left?

### Key Deliverables:

- Facilitate a Safeguarding Adult Review that is compliant with the requirements set out in Section 44 of The Care Act 2014 and associated guidance, including the SAB's SAR Framework (2021).
- Methodology: With reference to the Safeguarding Adults Board SAR Framework (2021), a 'Traditional' style methodology will be used.
- The principles of Making Safeguarding Personal to be reflected in the way the review is conducted.
- Engage with family representatives throughout and at the end of the SAR, including presentation of the overview report, outcomes, findings and learning.
- Case review and scrutiny to lead to system analysis which is reflected in the reviews report, findings, outcomes and recommendations.
- Present a SAR Overview report and summary report. These reports must be anonymised, in plain English and of a high standard in terms of both content and analysis.
- The project must be delivered within a maximum timescale of 6 months and at a total maximum cost of up to £5000 (plus VAT), including any materials and travel.
